Mission Statement

The mission of the Milton Public Library is to be a vital resource to the community by providing practical access to materials in varied formats, as well as services and programs of popular interest. Our emphasis is on encouraging children to develop an ongoing interest and enjoyment of reading and learning, and furnishing timely accurate information for personal, recreational, educational, and professional needs.

THANK YOU

For sharing in our vision and mission.

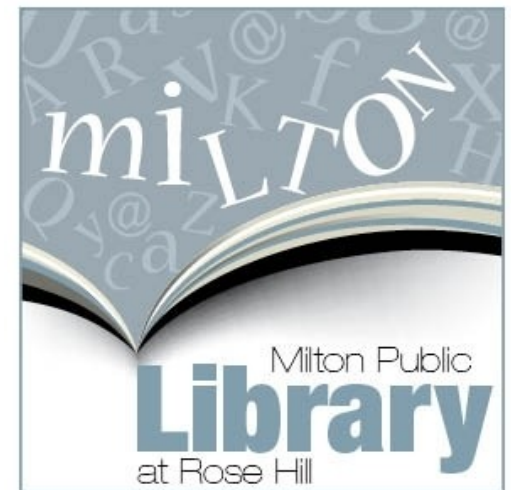

MILTON PUBLIC LIBRARY

COMMUNITY OPPORTUNITY

MAKE AN IMPACT

OPPORTUNITIES AWAIT

The projects described in this brochure will enhance and improve the services enjoyed by hundreds of people who use the Milton Public Library. This library serves the borough of Milton, East and West Chilisquaque townships and Turbot township.

As you review these projects, keep in mind there is an opportunity for your name (or business name) to be featured on your selection. So that our customers will be aware of your support.

AND you will be reaching community members of all ages through the Library.
